Sir,

I have the honor to submit herewith for information and favour of obtaining orders of Government copy of a resolution dated the 26th July 1922 passed by the Tirthahalli Municipal Council requesting that the town of Tirthahalli may be converted into a town Municipality In connection with this proposal I inspected Tirthahalli and its extensions on the 18th April 1923 and had a discussion in the matter with the Amildar President and some of the members of the Municipal Council and came to the conclusion that this being a very important malnad mercantile town in the district having a substantial income of nearly Rs 9,000/-, the proposal of the Council was worthy of consideration

2. Tirthahalli was constituted into a minor municipality under G O No:110/Ml.170-17-42 dated the 1st July 1918 and it is one of the efficiently managed and flourishing municipalities in the District As per census of 1921 the population of the town was 3334 as against 2718 in 1911 and the town is growing both in area and commercial importance day by day is represented that the present powers of the Council are found inadequate for administrative purposes and that more powers of control are necessary in connection with conservancy, sanitation and the regulation of the construction of buildings and extensions.

3. For purposes of establishment, Tirthahalli has been classed a III class Municipality in G.O.No 6102/Ml 67-17-23 dated 1st May

on the basis that its income is below Rs 7,000/-. As the present income of the Municipality is nearly Rs 9,000/- a recommendation has been made through the Sanitary Commissioner for sanctioning the revision of the establishment including the appointment of a Revenue and Sanitary Inspector.

4. The draft proclamation in Kanada and English required under section 8 and 8 A of the Municipal Regulation announcing the conversion into a town Municipality are submitted herewith for approval and favour of publication in the Mysore Gazette.

Subject:- Proposals for converting the Tirthahalli Minor Municipality into a Town Municipality.

Tirthahalli was constituted into a Minor Municipality under the Municipal Regulation in July 1918. Vide G.O No:110/Ml.170-17-47 dated 1st July 1918.Its boundary has been defined in Government Notification dated 1st July 1918 vide G.O.No 34/86-17-96. The population of the Town comes up to 3334 according to the census of 1921 against 2718 of 1911 Besides there is a large floating population coming from South Canara The income and expenditure of the Municipality is Rs 9060/- and 8611/- respectively in 1921-22 and Rs 8322/- and 8194/- in 22-23 and the income from Octroi alone is Rs 6350/- in 21-22 as against 6607/- 22-23. Separate proposals have been submitted to extend the present boundary of the Town.

The town is showing signs of development in various directions. The present powers and functions of a minor Municipal Council are found inadequate for administrative purposes more control is necessary under conservancy, Sanitation and control over new structures and Extensions This is one of the most important of the towns in the district, having motor bus connection with Shimoga and South Canara, the traffic of which requires control.

In view of the growing importance of the town it is necessary to convert the present minor municipality into a town municipality. A draft of the Notification in English and Kanada is herewith enclosed for favour of necessary action being taken.
